Bootcamp: Designed to help improve muscular strength and increase stamina by using resistance equipment and body weight! This class will challenge all major muscle groups to help you become stronger. Build self confidence & that voice in your head getting louder, saying 'I CAN.' We incorporate many drills to hit cardio endurance as well as strength!

Kickboxing: Cardio kickboxing is a group fitness class that combines martial arts techniques with fast-paced cardio. This high-energy workout challenges the beginner and elite athlete alike. Build stamina, improve coordination and flexibility, and burn calories as you build lean muscle with this fun and challenging workout. In Person only because we have the equipment here!

Battle Box Rumble: This class is a mix up to the regular Kickboxing class! Open to Kickboxing passes as well as all access passes this class is designed to push your limits with Battle ropes and a punching bag that create a dynamic duo and the perfect training combo!

Step & Sculpt: A mixture of upbeat, rhythmic stepping, with squat and lunge patterns to work the legs.
